September 24: "Westby Walk-About" sponsored by Westby
Chamber of Commerce

**Welcome Back
Students and Staff!!**

~~ Have a great school year ~~

There has been an abundance of misuse at the City's burn site on County 'P' and in the compost area on Grove St. Please abide by the rules of what can and cannot be dropped at these sites. Failure to comply will result in limited hours to these sites to allow the City crew time to clean it and dispose of unwanted items. These sites are inspected by the Department of Natural Resources, and we would like to keep these areas to their requirements. NOTE: manufactured wood is NOT allowed at the burn site. If you have any questions on disposal of certain items, please call City Hall at 608-634-3214.

The Vernon County Landfill is no longer accepting shingles or siding. Please make arrangements with your contractor for disposal of these items.
